Note:

1. The teacher-in-charge should note that for the safety of participants, the organiser may cancel the activity or change the place for holding the activity subject to the weather conditions.
2. Please stay alert and watch out for broadcasts and the weather change.
3. The teacher-in-charge may consider exchanging telephone numbers with the coach in advance so that they can keep contact at any time in case of emergency.
4. In case the above signal is cancelled two hours before an activity commences, above activities will be held as scheduled. But it should consider the actual weather and traffic condition in deciding whether or not to conduct the activity.
5. After cancellation of the warning signal(s), teachers may contact the School Sports Programme Unit if they have any questions about whether the activity will be held as scheduled or postponed.
